About Plumeria

To express this beauty, the manufacturer focused

On elegant design and High quality texture.

Bringing lips to fullness, full of vitality without leaving much dead cells for the lips. The coloring ability is also impeccable, suitable for all lip colors.

Also it's very long lasting color throughout the day.

Plumeria

Plumeria means
spring flower's name.

It is sweet and pleasant flower,
symbolizing purity. Using Plumeria,
as a way to bring beauty, full of
vitality and purity for women.

Plumeria lipstick deserves the pride of the girls when picked up,
surfing the sweet lines on the lips thanks to the elegant modern
block design. Mysterious black color is highlighted the luxury beauty.
This lipstick is made from magnets that absorb lip lids that make it
easy for girls to open and close. With this exquisite design,
Plumeria lipstick is not only a beauty item but also a proud jewel in
the bag of women.
