Candygirl Cushion SPF50+/PA+++ (Suitable for all skin types)

Instant hydration and nourishment

Infused with damask rose floral water, yuzu extract, and hyaluronic acid concentration, it instantly moisturizes and nourishes skin. Shea butter and squalane hydrate and treat skin which makes it possible to create a sheer and buildable coverage without ever drying out the skin.

Radiance-enriched coverage

The lightweight formula creates an effortless and dewy complexion and Candy Lab's exclusive applicator puff helps achieving a thin, even layer of coverage every time without leaving a trace of cakey buildup.

Expertly chosen ingredients

All ingredients go through a careful screening process before being used at Candy Lab laboratory in Seoul. To maximize the effectiveness of our formulations and ensure product quality, Candy Lab only uses clean and safe ingredients.

Color: We recommend this product for those with fair to light beige skin tones.

— **17 Light vanilla** works well with fair tones with pink undertones.

— **21 Pure vanilla** works well with cooler tones and pink and/or yellow undertones.

— **23 Warm vanilla** works well with warmer tones yellow undertones.

How to use:

Gently press the applicator puff into the sponge and pat the product lightly onto the skin. Re-apply throughout the day as needed. To replace: press upwards from the bottom of the open compact to release color compartment, then insert refill.

Candylab Lip Oil "PLUMPER"

Volumizing lip oil that helps nourish dry and chapped lips for noticeably plumped-up and glossy lips. Enriched with healing and soothing ingredients like jojoba seed oil, argan oil, and olive oil, the product thoroughly moisturizes, heals and softens delicate lips. At the same time, the unique combination of peptides and ginger oil helps to plump up the appearance of lips. The difference in lip size appears almost instantly and lasts for a couple of hours with high-shine sheer pink.
